**BUDGET MESSAGE**

To the Citizens of the Township of North Bergen:

The Board of Commissioners and I hereby present the CY 2014 Municipal budget, which covers the period January 1, 2014 through December 31, 2014.

This budget once again maintains municipal services at levels of quality that our residents have come to expect.

Although some Township costs continue to increase, State Aid has steadily decreased over time to its current stagnant level. Our Administration's prudent financial practices such as sustaining high tax collection rates, reducing the use of surplus, and aggressively paying down debt, allow for the continued provision of essential services for our residents even in such tough economic times.

Our goal is to always seek ways to improve the quality of life within our community. To that end, highlights of this year's budget include: a new Library Annex located at 21st Street and Kennedy Blvd.; the continuation of our Townhall "Help Desk" service offered through the Township website which allows for residential issues to be addressed expeditiously; enhanced street cleaning and snow removal capabilities; and a new pothole repair system and equipment that will more effectively repair our roads.

In summary, I am once again pleased to present a budget that demonstrates prudent spending while still providing quality services to our residents. Our Administration's ability to accomplish more for our Township with less resources shall continue once again in 2014.

The following represents various information that is required, by the State of New Jersey to be stated in the budget message:

• Health Care Coverage

The Division of Local Government Services Local Finance Notice 2011-4R and the adoption of Chapter 2, of P.L. 2010 require the disclosure of the following schedule of health care costs to the Township for the Calendar Year 2014:

Anticipated Employee's Contributions:	\$ 700,000.00
Anticipated Employer's Contributions:	\$ 12,620,000.00
Total Anticipated Health Care Costs:	\$ 13,320,000.00

• Municipal Library Tax Law

Public Law 2011, c. 38 was enacted on March 21, 2011. The law provides for a dedicated line item on future property tax bills to fund Municipal Free Public Libraries. This law does not result in any increased taxes, but changes the way the minimum library appropriation is displayed to the public.

As a result, the total municipal tax levy for the Calendar Year 2014 budget of \$61,145,000 has been reduced by the minimum public library tax of \$1,519,419 and is now \$59,625,581. Please note that this change does not result in a property tax increase, and is being made to help you better understand the costs of library services.

## CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

### CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned this year.

### CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- \_\_\_\_ years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

## NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

Presented herein is a six year Capital Improvement Plan for CY 2014 through CY 2019. This program is an official document that projects the Township's Capital needs on a long-term basis. This document estimates probable costs and methods of financing in order to establish a program that is realistic and capable of being implemented according to schedule. Such a program also avoids costly improper decisions or ill-timed action on a project or allocation of scarce capital resources.
