### 2.1 PROPOSER COMPETITION

The Township encourages free and open competition among proposers. Whenever possible, the Township will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the Township's need to procure technically sound, cost-effective services and supplies.

### 2.2 RECEIPT OF PROPOSALS AND PUBLIC INSPECTION

**2.3.2 Determination of Responsibility.** The Township will determine whether a proposer has met the standards of responsibility. Such a determination may be made at any time during the evaluation process if information surfaces that would result in a determination of non-responsibility.

**2.3.3 Evaluation of Proposals.** The Township will evaluate the proposals and recommend whether to award the contract to the firm determined to best meet the needs of the Township or, if necessary, to seek discussion in order to determine the firm to be selected. All responsive proposals will be evaluated based on stated evaluation criteria. The Township may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFQ responses in terms of differing quality and contractual factors.
