Mayor Nicholas J. Sacco, Commissioner Allen Pascual, pool managers Joanne Sogluizzo and Brian Bonacci, and the entire pool staff, would like to extend much thanks and appreciation for helping the North Bergen Pool with its 4th Annual Luau party. It was an amazing event. I would also like to give a special thank you to Joan Davison who did a wonderful job with getting the donations.

Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well.

Sincerely,

Joanne Sogluizzo
