North Hudson Community Action Corporation operates ten Federally Qualified Health Centers in three New Jersey counties, with locations in Englewood, Garfield, Hackensack, Harrison, Jersey City, Passaic, Secaucus, Union City and West New York.

Our physicians, nurses and other health specialists provide diagnosis and treatment for children and adult patients, including women's health, dental, and behavioral health, foot care and infectious diseases, as well as vaccinations.

We care for about 60,000 individuals a year with laboratories at every site and pharmacies on site in two locations. We encourage patients to visit us, whether or not they have insurance coverage, no matter their immigration status and we can provide services in several languages.

North Hudson Community Action Corporation opera diez Centros de Salud Federalmente Calificados en tres condados de Nueva Jersey, con ubicaciones en Englewood, Garfield, Hackensack, Harrison, Jersey City, Passaic, Secaucus, Union City y West New York. Nuestros médicos, enfermeras y otros especialistas en salud brindan diagnóstico y tratamiento para niños y pacientes adultos, incluida la salud de la mujer, la salud dental y conductual, el cuidado de los pies y las enfermedades infecciosas, así como las vacunas. Atendemos a unas 60,000 personas al año con laboratorios en cada sitio y farmacias en el sitio en dos ubicaciones.

Alentamos a los pacientes a visitarnos, tengan o no cobertura de seguro, sin importar su estatus migratorio y podemos brindar servicios en varios idiomas.
